

FOR YOUR OWN SAFETY AND THE SAFETY OF OTHERS, PLEASE OBSERVE THE FOLLOWING

FOG & LIGHTNING: In the event of an electrical storm, suspend play immediately and take appropriate action. (Rule 6-8a applies). Shelters do not provide adequate protection from lightning. Do not commence to play if the disc at the bottom of the practice area cannot be seen from the car park corner of the clubhouse or continue play in fog/poor visibility, when you cannot see the clear distance of your intended shot.

GREENS STAFF HAVE PRIORITY AT ALL TIMES: Players should always alert greens staff nearby or ahead when they are about to make a stroke that might endanger them and wait for staff to move out of range.

THE COURSE, ITS STEPS AND SURFACES may be slippery when damp or wet. Golfers must ensure to wear appropriate footwear to meet the prevailing conditions. Wherever possible, keep to footpaths and steps. Take care on steep banks and when entering and leaving bunkers.

HOLES IN CLOSE PROXIMITY: Players must be aware of others playing holes which are in close proximity and observe warning signs on the tees or course.

CAR PARK & PUBLIC ROADS: When leaving the course be aware of moving vehicles. Please report all incidents of balls being struck onto a car in the car park or onto the road to the office or the professional.

BUGGIES: To ensure the safety of all golf course users, buggy drivers are required to drive safely and follow designated buggy routes at all times. Take particular care on slopes and around ditches and deep-sided bunkers

FIRST AID KITS ARE AVAILABLE in the Clubhouse entrance, bar, Proshop and Greens Shed.

ALL ACCIDENTS MUST BE REPORTED TO THE ADMIN OFFICE OR THE PROFESSIONAL

A DEFIBRILATOR is located just inside the main door on the right hand side.

**IF YOU CANNOT SEE THE FULL RANGE OF ANY WAYWARD SHOT
PLAYERS ARE REMINDED OF THE NEED TO SHOUT "FORE!"**

- When practising players should not hit balls towards the clubhouse and bungalow.
- Players should not play until the players in front are out of range.
- Players should ensure that no one is standing close by or in a position to be hit by the club, the ball or any stones, pebbles, twigs or the like when they make a stroke or practice swing.
- If a player plays a ball in a direction where there is a danger of hitting someone, they should immediately shout a warning. The traditional word of warning in such situations is "FORE!"
- On hearing "Fore!" - Crouch, cover your head with your arms and count to 10.
